The units to be of steel frame construction with brick and block infill, double glazed aluminium shop fronts and windows all under pitched tiled roof. Internally the units have been fitted to the occupier’s corporate style. Location Eltham is

within the Royal London borough of Greenwich, around 9 miles South East of Central London. It is a commuter town with regular services into Charing Cross, Cannon Street and Victoria. The A2 and the A20 provide access to the M25 some 9 miles to the South East. These links, and the town's unusually high quotient of open green space for London, make Eltham an attractive place to live.
